## Life Group Discussion Questions

Sunday, October 16<sup>th</sup>, 2016

This week we were challenged to get out and do a prayer walk around our campus. If it does not work for your group to do that this week, spend some time as a group finding a time that will work for you to do this. (It can be during your normal Life group time if that is easiest)

### **Digging Deeper:**

1. Look up the following verses and talk about what each verse means as it relates to prayer:
  - Mark 1:35-39
  - Mark 14:36
  - Matthew 6:9-10
  - James 4:2
  - Jeremiah 29:7
  - Luke 19:10
2. What makes a prayer bold? Have you ever prayed a bold prayer? Why is it a scary thing sometimes to pray bold prayers?

### **Life Application:**

1. How do you *listen* to God? How does He communicate with you? How can prayer help prepare our hearts to what God may be calling us to do for Him?
2. Jesus went away to spend time with God in prayer, but then he also went to do what the Father had for him to do. How do we balance our time between being away with God and doing what God has called us to do?
3. What are some of the things you feel our church and community needs prayer for? How can we pray more regularly for the health of our church and community?
4. Have you ever done a prayer walk? What seems exciting about it? What seems scary about it?
5. Spend time in prayer with each other.
